## Remotely operated transfer switch ATyS d S 4P 125A

### Strong points

- ATyS d S: Dual power supply
- Safety and reliability
- Easy integration
- Simplified maintenance

### General characteristics

- Range from 40A to 125A.
- Available in 4P.
- Compact design.
- Dual power supply.

### Compliance with standards

- IEC 60947-6-1
- IEC 60947-3
- GB/T 14048.11

### Link to the reference

<https://apac.socomec.com/en/reference/95134012>

ATyS d S products are 4 pole remotely operated transfer switches with positive break indication.

They enable the on-load transfer of two three-phase supplies via remote volt-free contacts, from either an external automatic controller, using pulse logic, or a switch. They are intended for use in low voltage power supply systems where a brief interruption of the load supply is acceptable during transfer.

### Classification

|            |          |
|------------|----------|
| UNSPSC     | 39122205 |
| ETIM Class | EC000216 |
| IGCC       | 5177     |

### Commerce

|                            |            |
|----------------------------|------------|
| Effective date             | 2013-01-21 |
| Country of origin          | IN         |
| Length of the product unit | 0.1435     |
| Width of the product unit  | 0.198      |
| Depth of the product unit  | 0.181      |
| Weight                     | 3.66       |

### ETIM - Electrical characteristics

|   |          |
|---|----------|
| Max. rated operation voltage Ue AC [V]          | 800      |
| Rated operating voltage [V]                     | 400..415 |
| Rated permanent current Iu [A]                  | 125      |
| Rated permanent current at AC-23, 400 V [A]     | 63       |
| Rated permanent current at AC-21, 400 V [A]     | 125      |
| Rated short-time withstand current Icw [kA]     | 2.5      |
| Conditioned rated short-circuit current Iq [kA] | 15       |
| Number of poles                                 | 4        |

### ETIM - Mechanical characteristics

|  |       |
|--|-------|
| Suitable for floor mounting                  | No    |
| Suitable for front mounting 4-hole           | No    |
| Suitable for front mounting centre           | No    |
| Suitable for distribution board installation | Yes   |
| Suitable for intermediate mounting           | Yes   |
| Colour control element                       | Other |
| Degree of protection (IP), front side        | IP20  |

### ETIM - Technical features

|   |  |
|---|--|
| Version as main switch                                | Yes                                      |
| Version as maintenance-/service switch                | Yes                                      |
| Version as safety switch                              | Yes                                      |
| Version as emergency stop installation                | No                                       |
| Version as reversing switch                           | Yes                                      |
| Number of switches                                    | 2  |
| Number of auxiliary contacts as normally open contact | 3  |
| Motor drive optional                                  | No                                       |
| Motor drive integrated                                | Yes                                      |
| Voltage release optional                              | No                                       |
| Device construction                                   | Built-in device fixed built-in technique |
| Type of control element                               | Other                                    |

|   |                 |
|---|-----------------|
| Interlockable                                 | Yes             |
| Type of electrical connection of main circuit | Bolt connection |
| <b>Logistics</b>                              |                 |
| GTIN/EAN                                      | 3596032730147   |
